

Attention Parents and Caregivers:

According to NC law, children who are entering the 6th grade in public school on or after August 1, 2009 OR who will be 12 years old on or after August 1, 2009 and attending non-public school must have a Tdap booster shot IF 5 or more years have passed since their last dose of this medicine. Children should have this before school starts!

Special Tdap Booster Clinics

- | | |
|----------------------------|--|
